Dear

STAT

Enclosed are ten copies of the information requests for several objectives in the study workplan. Included are the requests for the training and career development, staffing, security, future workforce, future mission, and uniqueness criteria objectives. The data request for the equal employment opportunity and compensation and benefits objectives will be provided shortly.

Unless an earlier date is indicated on the specific request, the information is requested by June 1.

Don I. Wortman

Enclosure: As stated
